

**St. Monica Catholic School  
K - 8<sup>th</sup> Grade SCRIP Program  
Annual Participation Agreement**

**The SCRIP Program**

The SCRIP program raises funds for the school through the sale of gift cards for local merchants. A percentage of each card purchased is given to the school and the profit generated is credited to the purchasing family's SCRIP account. A record is kept of the amount of SCRIP purchased by each family and the amount of profit that is generated by each purchase.

**Purpose of the SCRIP Program**

The St. Monica School Board operates the SCRIP program to generate revenue to help cover school operating costs. This program was adopted in an effort to keep tuition rates low and affordable for our school families. Families are able to support the school while at the same time providing entertainment or necessities such as groceries for themselves at no extra out of pocket expense. It also is a program that allows for community involvement as parish members or friends of school families may participate.

**FAMILY COMMITMENT - Generate \$200 Profit from SCRIP or Pay Obligatory Fee**

Each family is required to generate \$200 in profits from the SCRIP program through purchases of SCRIP OR pay an obligatory \$200 fee. **If a family decides to pay the fee, PAYMENT IS DUE BY THE FIRST DAY OF SCHOOL, August 19<sup>th</sup>.** Each family is requested to make a commitment to either participate in the SCRIP program or pay the obligatory \$200 fee. **The agreement form printed below MUST BE SIGNED AND RETURNED TO THE SCHOOL OFFICE BY August 19, 2009.**

SCRIP account balances are available on the SCRIP page of the St. Monica School website. These balances are updated at the beginning of each month. When a family exceeds the \$200 obligatory fee from their Scrip purchases, they begin earning a tuition credit for the following school year. Upon request, 50% of the profit from all additional SCRIP purchases will be credited to their tuition for the following school year, up to a maximum of ONE TUITION. If the balance of the SCRIP Program account is less than \$200 when the SCRIP Program ends on April 30, 2010 the difference must be paid immediately. **Final transcripts and report cards will be withheld until payment is made in full.**

I(We) choose to participate in the SCRIP Program.

OR

I(We) choose to pay the \$200 obligatory fee.
