

**8<sup>th</sup> GRADE RELIGION EXAM REVIEW**  
**MAY 2008**  
**MR. OUELLETTE**

**Students are to use their textbook to create an outline of the following essays. Students will check their outlines in before taking the exam so Mr. Ouellette can approve the outlines. Outlines in “outline form” will be permitted. The essays will be one page, front only, no spacing. Students should be concise in their answers and not use “filler” as there is only one page to use. Students will not know which essays upon which they will write until the day of the exam. It would behoove them greatly to begin working on their outlines now.**
